

Join us for dinner and discussion on soil health and irrigation management in onions

🕒 Wednesday 18th September | 5:00pm-7:00pm (AWST)

The Pav Restaurant and Bar: 1 Peter Anderson Drive, Australind

Guest Speakers

Register here - RSVP
by the 13th of
September

Bruce Scott, '2023 Industry Impact Award Winner' will discuss the importance of soil health and nutrition in onions.

Stephanie Carstairs will present a summary of the national vegetable and onion benchmarks, comparing trends over 7 years in WA. They will discuss industry progress, and opportunities for future business growth.

John Bussell will discuss irrigation scheduling and how to optimise water-use efficiency on-farm.

Camilla Humphries will present an update on the Soil Wealth Project.
